DEDICATION

TO

WILLIAM H. STOCKHAM

A Great Captain of Industry and a true friend of Christian Education, this volume is respectfully dedicated.

FOREWORD

The predominant feeling of the editors and managers in presenting an annual volume to the friends of their Alma Mater is always one of apology. They, more than is possible for others, appreciate the many shortcomings, and how far short of the splendid ideals of the conception is the finished product, and they question the ability of the reader to realize the tremendous efforts, the heartaches and the steady flow of disappointing circumstances that have made and marred every page between the covers.

But taken all in all, this has not been an unhappy labor of love, and it is hoped that renewed interest may be awakened in the hearts of many of our worthy alumni, and that in after years some of the present students may find material here that will rekindle the fire of their devotion.

With heartfelt thanks to those who helped us, this volume is released with a tear, a hope and a prayer.

Our New President

Guy Everett Snavely, Ph.D., was inaugurated president of Birmingham-Southern College, Birmingham, Alabama, Wednesday afternoon, October 26th, 1921.

It may be truly said that his inauguration marks a new era in the history of Birmingham-Southern College. None of his worthy predecessors have so admirably combined scholarship with the highest Christian character and keen executive ability, and none have in so short a time done so much to bring this College to its proper place among the leading educational institutions of the country. He has won the love, appreciation and unqualified support of the student body, by his firm and dignified, though gentle and sympathetic attitude. He has won the highest praise of the community, being regarded one of the most loyal sons of his adopted city, because of his active interest in civic affairs and his zealous efforts in her behalf.

To bring Birmingham-Southern College into the American Association of Colleges is but one of the great forward strides which have been made this year. Under the wise and capable leadership of Dr. Snavely we look forward to a future of uninterrupted progress for our beloved Alma Mater.

The Classes

Senior Class

Senior Class History

The history of the class of 1922 is just like the history of all classes, a review of four years of college life. However, we feel that we have certain traits of character that will distinguish us from other classes. We want you to feel that we are all members of one body, working under the Gold and Black.

We entered college in 1918, the first class to enter Birmingham-Southern College after its formation by the union of Southern University and Birmingham College. We were filled with high ambitions and lofty hopes, but we found one class that was not favorable to us. They bestowed upon us the odious name of rats, and made us wear green ribbons. We survived ratting season, quit the green to don the khaki, S. A. T. C. uniforms which were issued. We drilled and hiked, rose at unearthly hours with a great desire to murder the bugler. After this, some of us fell by the wayside. Those that were left settled down to work in earnest. The scholarship medal was won by one of our numbers that year. Not only in the class-room but on the athletic field we won fame. We furnished two-thirds of the football squad, one-half the baseball squad and a number of the basketball and track squads. We stood by our teams and cheered them on to victory.

As Sophomores, we were represented on the athletic field, having more men on the varsity team than any other class. Almost one-third of the Glee Club was composed of our men. We not only made a name on the athletic field, but we made a record in the class room by having the highest average scholarship, and by winning the scholarship medal.

As Juniors we stood by our standard and kept up the pace we had set as freshmen. We began to feel the responsibility of our mission, and we toiled harder than ever.

Today we stand on the platform, at the top of the mountain of knowledge. "We have fought a good fight, we have kept the faith." This year marks a new era in our history and in the history of the college. Under a new and able President, the college has been admitted into the American Association of Colleges. We have made a record for ourselves, but whatever praise or honor shall be ours, the glory belongs to our Alma Mater, and we have learned that everything worth while in life must be done *"Pro Cristo et Republica."*

Mary Lucile Colvin

Birmingham, Alabama
Applicant for A. B.

Tau Delta; Clariosophic Literary Society.

Lucile is one of the Co-eds who has been faithful to old B. S. C. for four years, and one whom her school will long remember. She is a good student, and can be depended upon to uphold the standards and ideals of her Alma Mater wherever she may be. We feel that she will make a great success as a teacher.

Rufus Beauregard Bagley

Goodwater, Alabama
Applicant for A. B.

Pi Kappa Alpha; Clariosophic Literary Society; Glee Club 1919-20-21-22; Football 1921; Basketball '19-20; Track '19-20; Manager Track '20; Circulation Manager Gold and Black '20-21; Y. M. C. A. Cabinet '20-21; Athletic Editor *Revue* '21-22; D. I. K. Club.

Behold! the biggest ladies' man the College of the Hills has boasted in many a moon! "Bo" surely deserves this title, for there never was a man who enjoys the society of the weaker set to such a large extent. But never mind, Bo, it is a good thing to love the ladies, especially when they all love you. He is also an athlete, having letters in football, basketball and track to his credit. Luck to you, Beauregard, it always takes a man of your calibre to win!

William Graham Echols, A. B.

Birmingham, Alabama
Applicant for M. A.

Birmingham-Southern College, University of Alabama, Georgia Tech, Emory University. Seven years member of North Alabama Conference. Five years president of North Alabama Conference Epworth League. Member of North Alabama Conference Epworth League Board. Nineteen years member of League. Member of fourteen sessions of Alabama and North Alabama Conference Epworth Leagues. Held chair of History and Religious Education, Athens College, 1917-18. Member of faculty of Southern Epworth League assembly at Lake Junaluska, N. C. Platform speaker for various Western and Southern Epworth Leagues assemblies. Executive Secretary of the North Alabama Conference Epworth League.

Mr. Echols is a zealous worker for the cause of Christianity and Christian education, and we predict for him a great success in whatever line of work he may undertake.

Herston McAger Cooper

Birmingham, Alabama

Applicant for A. B.

Phi Chi; Clariosophic Literary Society; Track Team 1919-20-21; Captain Track 1919; Manager Track 1921; Secretary Pan-Hellenic Council 1922.

Herston has been with us for four years, and during this time has done much for the track team. He is quite a ladies' man, and we understand that he has a "standing" every Friday and Sunday nights with some fair dame. We admit her wisdom (?), but hope she will not kidnap him before commencement. But all in all he is a good fellow, and we wish him the best of success in life.

Arlie Barber Davidson

Birmingham, Alabama

Applicant for A. B.

Pi Kappa Alpha; Clariosophic Literary Society; Class Prophet '18-19; Freshman Declamation Contest '18-19; S. A. T. C. '18-19; Glee Club '18-19-20-21; Vice-President Sophomore Class '20; Sophomore Declamation Contest '19-20; Track Team '18-19-20-21; Captain Track Team '20; Secretary Athletic Association '20; Junior Oratorical Contest '20-21; Class Orator '20-21; President Student Body '20-21; Three times President Clariosophic Literary Society; Y. M. C. A. Cabinet '20-21; Millsaps Debater '21-22; Student Senate '21-22; Class Prophet '21-22.

Dave has won many honors during his college course, because of his clean and manly character, his hard-working qualities and dependable traits. Several times he has represented Birmingham-Southern College in inter-collegiate debates and by the force of his oratory has added much to the prestige of his Alma Mater in this field of activity. If he continues as he has begun, we predict that he will gain the friendship of many, the enmity of few and the confidence of all.

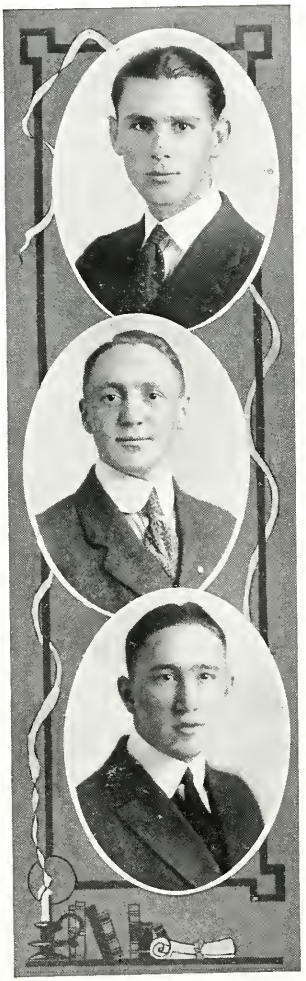

John Webb DeYampert

Scotts Station, Alabama

Applicant for B. S.

Pi Kappa Alpha; Belle Lettres Literary Society; S. A. T. C. '18-19; Track '19-20-21-22; Scrub Football '18, '21; Scrub Basketball '20, 21; Sophomore Class Basketball '20; Junior Class Basketball '21; Assistant Manager Baseball '19; Janitor Belle Lettres Literary Society; R. O. T. C. '20.

"Buddy Wampus" had been with us some time before he learned the art of studying, but after he grew older he learned that something else besides Bull was necessary to secure the coveted degree. But even if he isn't much of a student, he is one of the best hearted, most likable fellows of our class. He is a track man of no small note, having won four medals in this branch of athletics during his college course. Buddy, if you go into the battle of Life with the endurance and determination with which you enter a track meet, you will surely come out victorious.

Janie Fermine Grace

Birmingham, Alabama
Applicant for A. B.

Clariosophic Literary Society; Basketball 1919-20, '20-21; Y. W. C. A. Cabinet 1921-22; First honor roll 1921.

Janie is a girl of whom her class and school might well be proud. She is the daughter of an old Birmingham College professor, which makes us feel that she is a real product of old B. S. C. Her scholastic record is one of the best, as well as her record on the basketball team, for Janie is one of the few girls who wear the Co-ed "B."

Gladys Green

Birmingham, Alabama
Applicant for A. B.

Sigma Beta Gamma; Belle Lettres Literary Society; historian Sophomore Class '19-20; Co-ed editor *Revue* 1920; Treasurer Junior Class 1920-21; Society Editor Gold and Black 1921; Treasurer Y. W. C. A. 1921-22; Secretary Senior Class 1922; *Revue* Staff 1922; Maid of Honor State Oratorical Contest 1919; Sponsor Baseball Season 1919.

Gladys is one of our most popular and attractive co-eds, as well as a splendid student and a scribe of no ordinary ability. She always carries a cheery word and smile—regardless of whether she has her credits straightened out with the office or not. We predict that she will win the love and esteem of all, as she leaves the halls of learning on the City's western border.

Helen Haggard

Greensboro, Alabama
Applicant for A. B.

Tau Delta; Belle Lettres Literary Society; Woman's College 1918-20; Class Poet, 1921; President Y. W. C. A. 1922; Class Historian 1922; Historian Pre-Medical Club 1922.

Helen is the one Co-ed who had some of her work at old Southern University. She is a most zealous religious worker, a Student Volunteer, and always has taken an active interest in Christian as well as college activities. We bid her God-speed as she further pursues her education in preparation for service on the mission field, and predict with confidence for her a great and useful life of service.

Frank Hammett

Sylacauga, Alabama

Applicant for B. S.

Sigma Alpha Epsilon; Belle Lettres Literary Society; President Pan-Hellenic Council 1921-22; Manager Tennis 1919-20; Art Editor *Revue* 1921-22; Dramatic Club 1921-22; Secretary and Treasurer "B" Club; D. I. K. Club.

Frank hails from the city of Sylacauga, but otherwise is a likable sort of fellow. He has a two-fold ambition: First, to rival "Bo" Bagley in monopolizing the affections of the Co-eds, and to outstrip Michael Angelo in portraying his thoughts upon canvas. But after all that can be said of him, he is a true friend, a good scout, and is ever ready to lend a helping hand. Frank, we wish you all success in whatever you undertake, and feel sure that you will succeed.

Demetrius Nestor Issos

Birmingham, Alabama

Applicant for A. B.

Belle Lettres Literary Society; Second honor roll 1919-20; First honor roll 1920-21; Secretary Belle Lettres Literary Society 1920-21; Glee Club 1921-22.

We are proud to have as our classmate this worthy representative of a noble and intellectual race. He is one of the best students in the class, and at all times a loyal supporter of his Alma Mater. He has decided to study medicine, and we all feel sure that he will prove himself a credit to his profession and an honor to his Alma Mater.

Eulin J. Laney

Birmingham, Alabama

Applicant for A. B.

Graduate of Troy State Normal School; Student Peabody College 1917-18-19; Columbia University; Principal Graymont School.

We are glad that Mr. Laney has chosen Birmingham-Southern as his Alma Mater. He is a man of proved ability, and we feel confident of a successful future for him. We only regret that it has not been our privilege to become closer associated with him.

William Walter Locke

Orrville, Alabama

Applicant for B. S.

Pi Kappa Alpha; Belle Lettres Literary Society; Prophet Sophomore Class 1919-20; Vice-President Junior Class 1920-21; Associate Editor *Revue* 1920-21; Vice-President Senior Class 1921-22; Member Pan-Hellenic Council 1920-21; President Belle Lettres Literary Society First Term 1921-22; Editor-in-Chief Revue 1921-22; First Honor Roll 1920-21; Associate Editor Gold and Black 1921-22; Vice-President Pre-Medical Club; Member D. I. K. Club.

"Bill" is a true friend, a splendid student and a real man in every sense of the word. He is the sort of fellow who can be depended upon wherever real character is needed, and in whom no confidence, however great or small, is misplaced. "Bill" makes A's in all his work, and still complains because he cannot make higher grades, yet, in spite of his industry, he usually finds time to take in a show once a week. His love affairs (singular or plural) remain one of the hidden mysteries of the Hill, but we have good reason to believe that Bill has no real enmity in his heart for the fair sex. As Editor-in-chief of the *Revue*, Bill has proved himself an executive of no small ability. This is but characteristic of the thorough quality of his work, however; and we are looking with the greatest pride and pleasure to see him take his place as a leader in the medical profession.

Carolyn Louise Martin

Seale, Alabama

Applicant for A. B.

Troy Normal 1919; Student Peabody College 1919-20; Teacher Graymont School 1921-22.

Although not a regular member of our class, Miss Martin is taking work in the Extension Department which will entitle her to a degree this year. We consider it a privilege to have her finish with us, thus adding her name to the roll of our many worthy alumni.

Charles D. Matthews

Hackleburg, Alabama

Applicant for A. B. Degree

Clariosophic Literary Society; Scholarship Medal 1919-20; Class Poet 1920-22; Assistant Librarian 1921-22; Associate Editor Gold and Black 1921-22; Y. M. C. A. Delegate to Southern Student Conference, Blue Ridge, N. C., 1920; Twice President Clariosophic Literary Society; Millsaps Debater 1922; Valedictorian of Class of 1922.

Charley's shining countenance has graced the landscape of our institution for four years. Ever in the thick of the fight, he has piled up an enviable record of grades, winning the scholarship medal in 1919-20. He has also attained some success as a journalist, having served on the Gold and Black staff for two years. Charley, we look forward with pleasure to the time when you become one of the greatest ministers of Southern Methodism.

Acton Elijah Middlebrooks

Midland City, Alabama

Applicant for A. B.

Clariosophic Literary Society; Sophomore Declaimer 1919; Vice-President Ministerial Association 1918-19; Johnson Philosophy Medal 1920; Delegate to Student Volunteer Convention, Des Moines, Iowa, 1920; President Ministerial Association 1920-21; Member Y. M. C. A. Cabinet 1921-22; Delegate to Y. M. C. A. Conference Blue Ridge 1921; President Clariosophic Literary Society 1921; Junior Oratorical Medal 1921; Historian Junior Class 1921; Member Masonic Club; Member Student Senate 1921-22.

Middlebrooks is one of our number who has combined ministerial duties with those of securing an education, and in both occupations has stood with the foremost. In 1919-20 he had the distinction of winning the Philosophy medal, which alone would indicate that he had learned to handle to advantage the best the profs could send against him. We believe that he will also be able to cope with the larger, more difficult problems of life.

Gerwin Myer

Brandon, Fla.

Applicant for A. B.

Pi Kappa Alpha; Clariosophic Literary Society; S. A. T. C. 1918-19; R. O. T. C. 1919; Glee Club 1919-20-21-22; Main Quartet 1920-21-22; Scrap Iron Quartet 1920-21-22; Basketball Squad 1919; Treasurer Freshman Class 1918-19; D. I. K. Club.

"Jew Baby" came to us during the S. A. T. C. year from—nobody knows where—and has been with us continually since. There is a rumor that he spends a good many of his week-ends somewhere out in the country from here, so you can see he has other interests besides those of his college duties. His ambitions are to secure the girl of his choice, and to rival Caruso in the exercise of his melodious voice. "Jew," these are worthy ambitions, ambitions in which you deserve to succeed.

Robert Justin Rowe

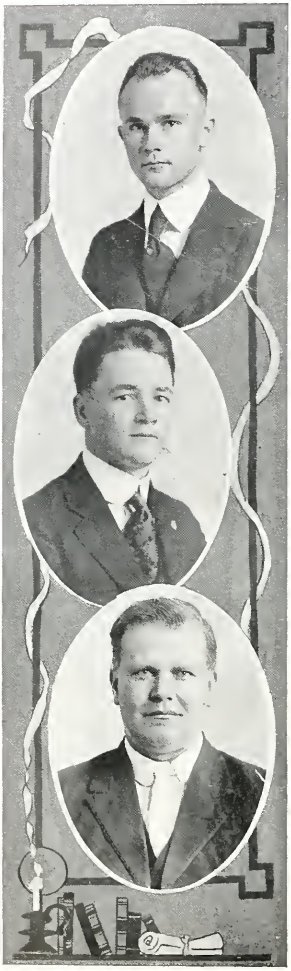

Munford, Alabama

Applicant for A. B.

Alpha Tau Omega; Clariosophic Literary Society; Football 1918-19; Baseball 1918-19-20; Ladies' Debater 1918; Glee Club 1920-21; Manager Baseball 1920; Athletic Editor *Revue* 1920; President Dramatic Club 1921; Main Quartet 1921-22; D. I. K. Club.

Bob entered our class just four years ago—one of the greenest rats that ever bowed before a sophomores' belt, but since that time has rapidly learned the ways of a college man and is now one of the best liked men in the class. In his Junior year he had the distinction of being elected the Most Handsome Man, which for most of us would have been honor enough but not so for Bob. For him there are other worlds to conquer, and we hope and believe he will conquer them.

Perry Dewey Scrivner

Samantha, Alabama

Applicant for A. B.

Pi Kappa Alpha; Clariosophic Literary Society; Manager of Glee Club and Quartet 1920-22; President Glee Club 1922; Freshman Declamation Medal 1919; President Sophomore Class 1920; President Junior Class 1920-21; Delegate to Student Volunteer Conference 1920-21; Track 1921; Member Pan-Hellenic Council 1920-21; President Y. M. C. A. 1920-21-22; Secretary Student Senate 1921-22.

Never did our Alma Mater boast of a student of a higher sense of honor and justice, a more winning personality, and a more perfect endowment of manhood than Perry. It may be truly said he is every inch a Man. He is one of those few men whom even an enemy, if he had one, would still trust. How fortunate humanity would be if there were more like him.

William Sihon Traweek

This serious-minded young man entered the portals of our institution some six years ago, but his progress on the road to knowledge was checked for a time as he gave his service to his country during the world war. Since that time he has plodded slowly but surely onward, overcoming all obstacles, until now he stands ready to take the plunge into the sea of life. But it is rumored that he will not take the plunge alone. "Si," we wish you the best of success.

Mr. Weston's love for his Alma Mater was so strong that he has seen fit to return and complete his work toward a degree. We feel justly proud of this worthy son of old Southern University, who has responded to her call and inscribed his name upon the annals of her history as an alumnus of her worthy successor. The Class of '22 feels it a distinct honor to have Mr. Weston as a member, and extends him the warmest welcome and fellowship.

Dick is one of the most promising members of our class. He has selected medicine as his profession, and all who know him expect him to become a leader in that field. Dick is a hard worker, a true friend, one of the kind who always succeeds in whatever he undertakes. We predict for him a future of unbroken success.

Howard is one of the most popular members of the class, as is shown by his being elected Class President. He is a man who can be depended upon at all times to do his best in whatever he undertakes. He is the only member of the class who had the honor of helping tie the knot in the bulldog's tail last November. Howard, we expect with a great deal of pleasure to hear of your success.

"Red" began his college career at Washington & Lee, but joined our class in his sophomore year. Since casting his lot with us he has made quite a number of friends, not a few of which are members of the fair sex. "Red" is strictly a business sort of fellow, as is seen from his being twice elected manager of football, which position he has held with credit to himself and honor to his Alma Mater. Red, continue as you have begun, and your future will be as bright as your forelock.

Senior Class Prophecy

It is a peculiar privilege to be a prophet. Such a person is in an unique circle. To possess the attributes of a prophet is to dominate a superhuman power, is to embody some of the God-given potentialities of the Master. I have reviewed carefully the characteristics of the prophets of the past; and have endeavored to gain the major qualifications of such historical figures through the execution of certain special, restrictive, and sacrificial activities. I have been strongly desirous of sufficient capacities to give prophetic utterances relative to the individual members of the class that I represent. Month after month I implored the Almighty for this most uncommon ability. The revelation, the unfolding of the individual achievements of the class of '22, came to me in the deep of New Year's night while in a state of stupefaction. Thus I give briefly the revelation of this supernatural vision.

Eighteen years has elapsed since my classmates made their departure from the confines of Science Hall, and the inspiration of "Sunshine Slopes." The college had grown with such rapidity that it now embodied the qualifications of an university. The year 1940 was to mark the consummation of our Alma Mater's functioning as a college, and the commencement of a new era at the inauguration of the first president of the University of Birmingham.

Elaborate preparations were being made for the occasion on the second Wednesday in September. Every alumnus was sent a special request to be present. I, being a minister of the city and having ample room for the entertainment of many friends, welcomed my classmates by having them as my guests at a reception on Tuesday evening. When the guests assembled, they were very anxious in the beginning to learn of the history, vocation, and present location of every one. Upon a suggestion they were seated, and the individual affirmations were given to this eminent group of friends representing many vocations and coming from many points of interest on the globe.

It was very natural that the old class president, Howard Yeilding, should speak first. He stated that he was doing a great work in Cuba as the Director of Athletics at the University of Havana.

We found that Beauregard Bagley had emulated his traditions of college days, for he was now being complimented as the preeminent propagandist in favor of national compulsory co-education. He was bringing fame to his wife's place of residence, Lizzard's Bend, Arkansas.

Herston Cooper, who had been active in political circles in the Philippine Islands for many years, announced that he had been given, recently, the governorship of the archipelago.

"Buddy" DE Yampert created great applause when he announced his success in the scientific field, holding now the position of chief chemical engineer at Muscle Shoals, Alabama.

Frank Hammett, we learned, had wonderfully improved his latent ability, and was now meeting with great success as cartoonist for the Louisville Courier-Journal.

Demetris Issos, now located at New Orleans, was receiving much notoriety for his new discoveries in the treatment of nervous diseases.

"Bill" Locke was the next spokesman. All were wondering if he had emulated his old collegiate ideals and practices in the medical profession. Our expectations were satisfied when he informed us that he was one of the leading surgeons at the Hospital of Johns Hopkins University.

Two ministers rose simultaneously. Each remembered the exchange of sarcastic wit in the literary society. Each was again ready to refute the other's arguments, after a separation of many years. Charlie Matthews had ceased preaching, and was now sending his messages in print as Editor of the Methodist Quarterly Review. A. E. Middlebrooks was now serving his fifth year as pastor of the First Methodist Church of Montgomery.

Gerwin Myer informed us that he was living a happy life with his wife. "Jew Baby" had utilized his special ability, and was presently engaged as the Head of the Department of Mathematics at Emory University.

The following man to report possessed considerable avoirdupois, although he revealed a wonderful physique. This was Bob Rowe. We found that he was now Director of Physical Culture in the University of California.

The ministry seemed to be a leading profession with the class of '22, for there came two more representatives. Perry Scrivner, after a number of years of pastoral work, was now Dean of the School of Theology in Southern Methodist University. William Siphon Trawick had been true to his highest ambition, a great evangelist, and was being hailed as Bob Jones The Second.

W. D. Webb rose and gave greetings from Brazil. Dr. Webb stated that he was making a great fortune in the medical profession at Rio de Janeiro.

Newman "Red" Yeilding was the last man to report. His efficient methods as football manager had been applied to the business world, and were bringing great dividends to his clothing establishment in New York City.

The best usually comes last. The members of the feminine gender of our class had been silent, but every man was anxious to hear of the outcome of their life. Lucile Colvin was the first to speak. Instead of many years of married life she had followed the teaching profession. She was now Head of the English Department at Randolph-Macon College.

From this group of five came a missionary from the Orient. Helen Haggard was on a short vacation visiting friends in her native state, Alabama. She was stationed as a medical missionary about thirty miles distant from Calcutta, India.

The next face brought remembrances of newspaper comments. Catherine Williams had won a distinct place among women lecturers. She was living in Chicago, and was engaged in Sunday School work by the International Sunday School Association.

Gladys Green created a surprise when she announced that she was yet a maiden. She had been active in the literary field, but was presently the beloved president of Bryn Mawr College.

"Haven't any of the girls married?" someone inquired from the corner. Yes, there is one. Janie Grace had become the wife of a famous evangelist, and was doing a great work for him and his company. She was now Mrs. Dark. Then, none other than the orator, W. N., "The Repudiator," was recalled.

Following this general introduction was a delightful social hour, after which dinner was served. At the close of the evening of happy fellowship and pleasant memories, the members of the class of '22 expressed the delight of their visit on this occasion, bade each other goodby with wishes for eternal future happiness and success, and made their exit once more into their respective fields of endeavor.

I regained consciousness slowly, and was soon aware of my wonderful prophetic vision. I leaped out of my couch and busily engaged my pen that I might give to you my most desired revelation, that you too might know some of the hidden secrets of the All Wise Being.

Senior Class Poem

(Tune: Burns' Annie Laurie)

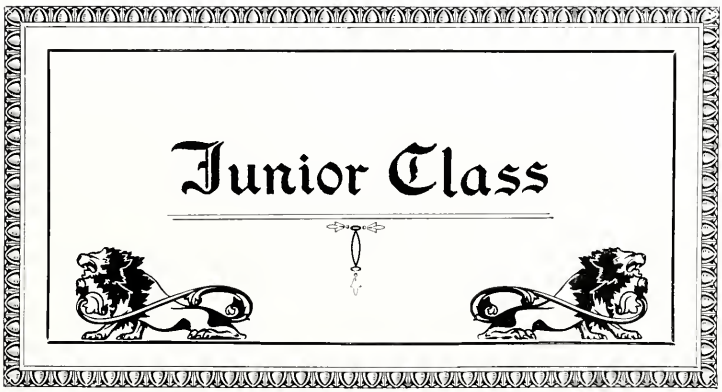

A hill in Alabama
My mem'ry loves to roam;
There stands my Alma Mater,
My dear old college home!
All hail to B. S. C.!
All hail eternally!
All hail my Alma Mater!
My love I give to thee!

The city's smoke around her,
She rises pure and fair.
No dust of earth has found her;
God keeps her pure and fair!

My fondest prayer shall ever
For her dear name ascend.
No power on earth can sever;
I'll love her to the end!
All hail to B. S. C.!
All hail eternally!
All hail my Alma Mater!
My love I give to thee!

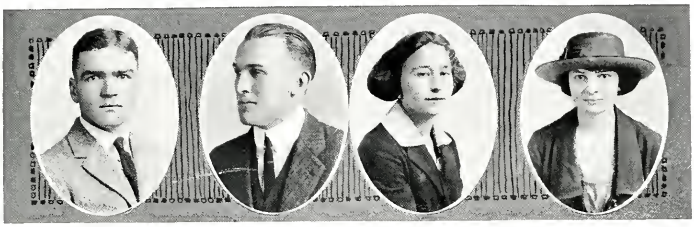

Junior Class

History of the Junior Class

Sometime in the dark and mystic past (during the Christian era) about fifty wanderers found the w. k. and j. f. Sunshine Slopes to take advantage of evasive and proverbial "golden opportunities." And from this bunch of freshmen, "who knew not and know not that they knew not," emerged the Sophomore Class of '23, of undying renown, who "knew not and knew that they knew not." It was an age of chaos and confusion, rock throwing with never-failing accuracy, apologies in chapel, the funeral of Stony Rox, and even a gruesome battle between the Sophs and the rats, the cause of the fray being the dispute of the ownership of the tent.

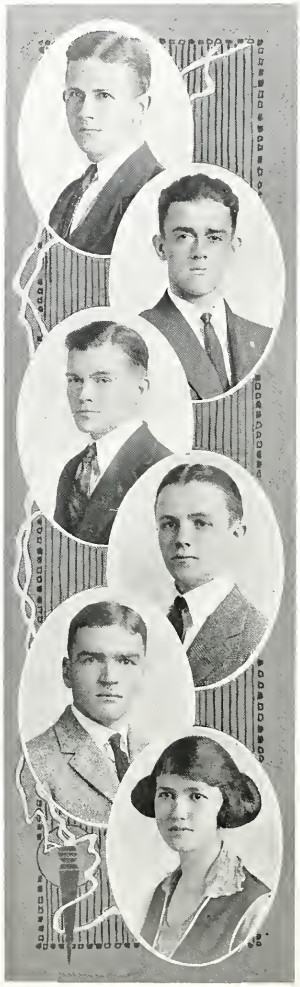

Now we are Juniors, serious, sober, solemn and sophisticated, who "know, and know not that we know."

Coaches Brown and Gillem

The Coaches

We like to think of Coach Charlie as a veteran, for indeed he is a veteran coach as well as a veteran of the World War. For many years he has piloted the Panther aggregation, and to him more than to any other single man is due the splendid athletic prowess which has made the Panther feared and admired.

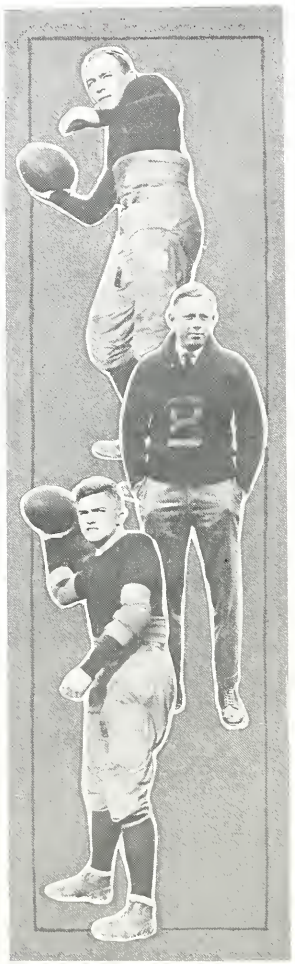

Coach Jenks is the way they style Coach Gillem, and as a Panther backfield coach he has been a success in every way. A powerful, driving set of backs has been molded by Coach Gillem, and his ability in booting the pigskin has enabled him to develop several great punters in the Panther camp. B. S. C. students and backers rejoice that he will be back with us next year.

Snaps of Howard Game

Football

Panthers 7: Miss. A. & M. 20

FOOTBALL TEAM

"MIKE" NORTON (CAPT.), *Quarterback*

"Mike," the diminutive, determined captain, led his team through a very successful season. Although forced out of the game for two weeks on account of injuries, he came back and was again one of the big factors which caused Howard to bow low to the mighty Panther. "Mike" is a good, consistent ground gainer, an expert in directing the attacks of his team, as well as a tackler who never misses his man. We are expecting big things from Mike next season.

"RED" YEILDING, *Manager*

"Red" is a great manager. For two years he has furnished the best of equipment for the team, and has given them a number of great trips.

"FROG" MILLER (CAPTAIN-ELECT)

Quarterback

Miller, the wonder man of the Panther team, has been chosen by his team-mates to lead them to victory this next Fall. "Frog" is a man that is capable and worthy of this honor, having more experience than any other member, and is one of the brainiest players that ever donned a Panther moleskin. Miller is equally proficient in either kicking, passing or carrying the ball. His big stunt this past season was kicking the field goal that won the Howard game.

Panthers 39: S. P. U. 6

FOOTBALL TEAM

"RED" RICHARDSON, *End*

"Red" was used at end and half back this year. His versatility makes him invaluable, inasmuch as he can play nearly any position. In his two years Varsity experience he has played every position except quarterback and center. He broke his leg in the Chattanooga game, and missed the last two games of the season. We are expecting great things from him in his next two years with us.

"GREEK" GRIFFIN, *Half Back*

This gritty little back was a star in almost every game this season. This was "Greek's" first year on the Varsity, and great glory should be his next year. He is especially good at snagging passes and picking holes on line bucks.

"MIT" GREEN, *Half Back*

"Mit" was one of the old S. A. T. C. squad which gave Howard such a drubbing back in '18. For the last two years he has been with S. M. A., and has done some excellent work with us this year. He bids fair to rival the record of his brother.

Panthers 19: Marion 0

FOOTBALL TEAM

"BIG HOSS" GANDY, *Tackle*

"Big Hoss" is the mainstay on the line. He can open up holes on the offense big enough for a hay wagon, and his defensive work is a joy forever. No. 13 could be seen in the midst of every play, and woe unto the opponent that came within reach of the Big Hoss. This is Gandy's third year on the team, and he should be a tower of strength for Coach Charley next year.

HOWARD YEILDING, *Center*

Howard scrubbed with Vandy last year, and returned this year to the ranks of the Panthers. He held down the pivot position with credit, and his fighting spirit was always an inspiration to the rest of the line. We regret very much to lose him after this year.

"BIG BOY" HALL, *Guard*

"Big Boy" is a tower of strength, the limit of which, though unknown to him, has been felt to some extent by players of opposing teams. This is his first year on the Varsity. He has made an excellent showing, and bids fair to become one of our strongest men in his remaining years with us.

Panthers 14: University of Chattanooga 7

FOOTBALL TEAM

"MA" GREEN, *Tackle*

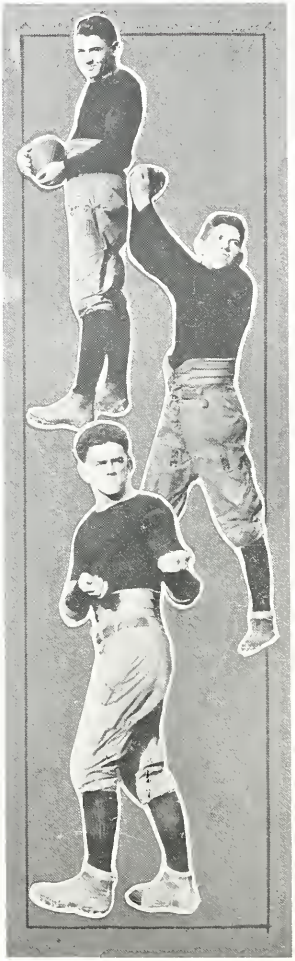

The only benedict on the squad; however this did not interfere with his ability as a star tackler. "Ma" has a habit of blocking punts. During this last season he averaged two per game. Besides this outstanding characteristic, he is a steady, consistent player, and it is rare that gains are ever made on his side of the line.

"COTTON" CALDWELL, *End*

"Cotton" had no sooner arrived on the Hill than he asked for a football uniform. No one thought much about him until he showed that he had some real stuff in him, and by the end of the season "Cotton" was a regular end, playing four quarters against Howard—something few freshmen ever do. Although handicapped by injuries, he made a remarkable showing, and should make us a good man next year.

"BIG UN" HODGES, *Guard*

"Big Un" just naturally tears the opponent's line into shreds. The opposing team must go around him, for it is an impossibility to go over or under him. With his 200 pounds of brawn, Hodges looks like a tank opening up a hole in the opposing line.

Panthers 6; Mississippi College 27

FOOTBALL TEAM

O. B. ELLIS, *End*

O. B. made Varsity this, his first year out. He is a hard worker, and with his 190 pounds and added experience of the next two years, he should develop into a great end.

"LITTLE HOSS" GANDY, *End*

"Little Hoss" came to us from Ensley High, and in his playing this year has plainly showed the splendid stuff which has characterized the work of his big brother the past three years. He is a little man, but has the making of a great end.

MAYNARD BAKER, *End*

Baker has played end for two years, and there is not a man in the South who can hold a forward pass better than he. In the Mercer game he showed that he was a real fighter. He also has a good toe for drop-kicks and goals after touchdown.

Panthers 16: Howard 14

FOOTBALL TEAM

JIM ROGERS, *Full Back*

This is "Jolly's" second year on the team. He was in the line-up of the team of '19 which suffered defeat at the hands of Howard, and his battle-cry for the season was: "I've got a debt to pay back." He paid it back with interest. He did the punting this year, proving himself a worthy successor of "Capt. Eddie" Lewis. We are fortunate that he will be with us two more years.

JOHN MABRY, *Halfback*

John came into the limelight when he side-stepped down the field for a couple of touchdowns in the game against S. P. U., and for the rest of the season he was considered one of the fastest men in the backfield.

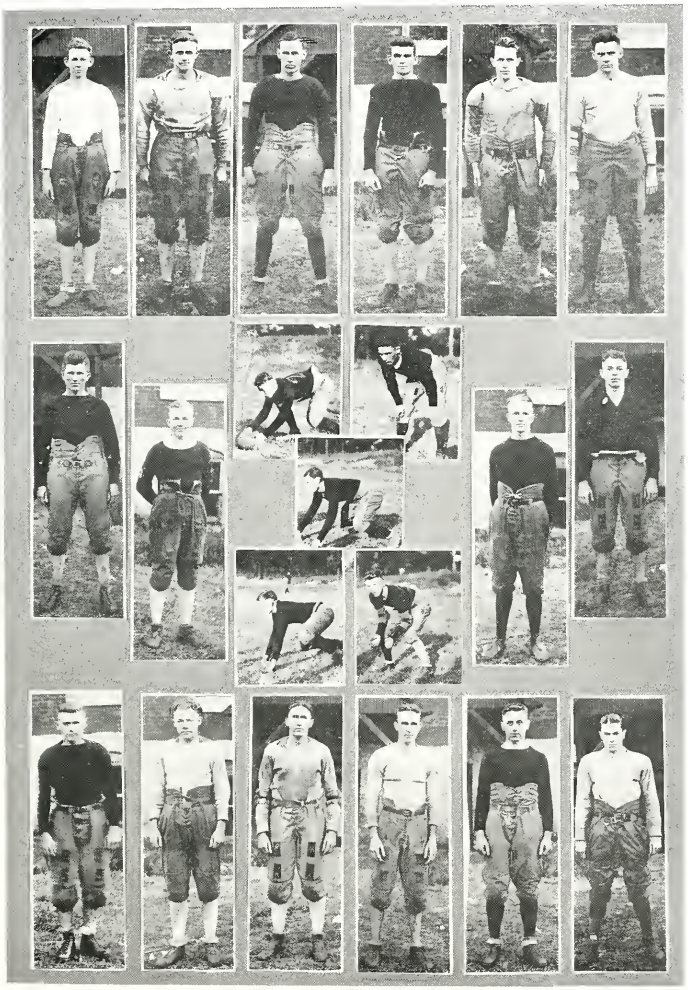

"RATTLESNAKE" BURKE, *Mascot*

"Rattlesnake" is the greatest mascot in America, and gets our vote for All-American. For three years he has hardly missed a practice. He has made a number of trips with the team, including the one to Tampa this year. All the boys love him, and hate to see him growing up, for he says it won't be long before he will be playing for "Jinks" and "Charley."

Aubrey A. Miller

Aubrey is without doubt the best all-round athlete on the Hill, having the distinction of twice winning the Porter loving cup. In all four of the major branches of athletics, football, basketball, baseball and tennis, he has distinguished himself, and we feel confident that in the future he will continue to maintain his high standard of athletic excellence and win many more laurels for himself and his Alma Mater.

History of Pre-Medical Club

In 1921 the Pre-Medical Club, composed of all students preparing to enter the medical profession, was organized. The purpose of the club is to keep in touch with the field of medicine and to give an insight into it. Twenty-three members were enrolled.

Under the able guidance of Dr. W. C. Joness and Prof. A. K. Boor of the Science Department, members of the club have been made to realize the wide scope of their task, and the sacredness of the profession they have chosen. They have been made to feel that before they can master the fundamental truths of science, they must be masters of themselves, guided by a Divine Being.

The Club occupies a position of much benefit and value to its members, and has prospects of a future of great usefulness and service.

The Dramatic Club

Youth must be served, this is the text of this little sermon. In the heart of everyone, young as well as old, there is a love of the dramatic.

We like to do things in a dramatic way. We support the moving-picture industry and go to see all kinds of theatrical productions. Why? Because in the actors of the plays we see a reproduction of our own feelings and emotions, of heroes as we in fancy imagine ourselves.

Throughout the seven ages of man he has craved the limelight. We are interested especially in the age of youth; and as Youth Must Be Served, a Dream-creature was created, and the Dramatic Club of Birmingham-Southern College is the result of the dream.

Disguised under the name of "Paints and Patches," this organization exists for the sole purpose of giving students an outlet for the overflow of dramatic spirit. Here the student has an opportunity to start upon that career where he knows (?) he can attain success if only given a start. The club will provide the start, and it is up to the young hopeful to furnish the career.

But seriously the Dramatic Club, well started in a small way, has really made some remarkable steps forward. They have completed a good organization, secured a most competent director, Miss Sarah Rives, who has had a wide and extensive experience in work of this kind, and in fact the club has gotten off to a real start.

The club consists of twenty-five members who have secured their places by competitive tryouts. This insures some talent to begin with, and gives opportunity for a broad development of dramatic art.

Potential John Wesleys

Our student ministers are a quality group, with their fine influence felt in every heart-beat of College life—not commandeering, but inevitable. They are recruits for the too-thin ranks of the prophets of Zion, the highest product of Christian Education, and the future leaders in the never to be ended movement of Christian Education itself.

They are doers of the Word, serve charges in the conferences, they conduct services weekly at the jails of Bessemer and the city jail of Birmingham, and daily at the college kitchen for the servants.

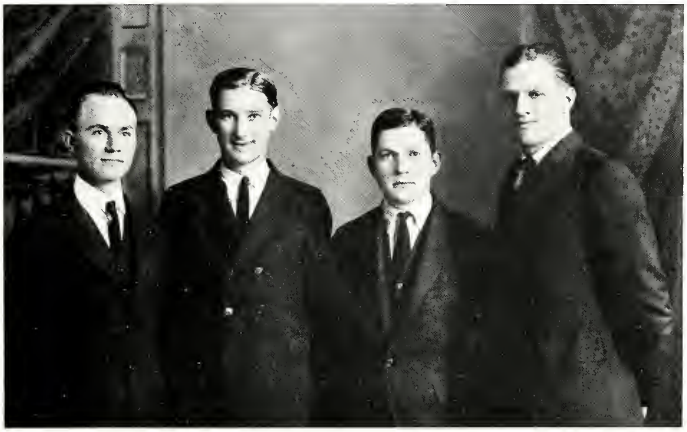

They are loyal to the highest degree to the best interests of the college, and they are represented in every student activity.

They are among those who have answered a call to fulfill the Great Commission—and they are clean in life, eager to serve, and happy in a holy determination.

College Elections

MOST POPULAR STUDENT. 'Tis the best that can be said of a man. He is a good fellow. Howard Stansell, through his winning smile, kindly words and overflow of pep, has won his way to the hearts of all his fellow students, and was elected to a most coveted position.

MOST POPULAR CO-ED. It is said that good things come in small packages, and it is true in the case of Bitsy. Miss Craig is truly the most popular Lady of the Panther.

THE MOST HANDSOME MAN. Oh well, every dog has his day, and we must all pull a joke. Presto! Out comes the good-looking Mr. Akin.

PRETTIEST CO-ED. "Fairest of the fair" on Sunshine Slopes—Margaret Strange is voted the beauty queen of the Hill.

MOST POPULAR ATHLETE. Aubrey Miller well deserves this honor, having twice won the Porter loving cup. Miller has won the coveted B more than any other Panther, and is truly a well-rounded athlete, as well as a darn good fellow.

MOST POPULAR PROFESSOR. Here's to Eddie, the most popular prof. Prof. Goodrich's extraordinary individuality and keen sense of humor covering his good fellowship, won for him this place of distinction.

MAN WITH THE PRETTIEST EYES. "He has those dreamy eyes of brown," etc. Many a fair one has fought a valiant, but losing fight with the orbs of the Greek. Griffin is as good as the Sheik of Araby.

GIRL WITH THE PRETTIEST EYES. As to the eyes of "Jo" Hawkins, we can but say that they are of the sort that make "poets rave, and dreamers tear their hair."

MAN WITH THE BEST LINE. "He's not handsome, he's not sweet, but he's got a line of Bull that can't be beat." When one falls for Mit Green's line, there is one consolation: That there are others.

BEST WRITER. As a writer, Branscomb is surpassed by none, being editor of the Gold and Black only tends to bring out the fact.

MOST DIGNIFIED SENIOR. Some think he is, others who know him better think he is not; however Bill Locke conducted himself so as to poll a good majority of the votes.

LAZIEST MAN. Any man who uses his feet only to rest them is truly lazy. We often wonder how Prof. Goodrich has the energy to smoke a pipe.

BIGGEST FOOT. We call it a foot, but it is a yard in reality. Big Boy Hall has trouble in getting his tailer-made shoes.

MAN WITH THE BRIGHTEST FUTURE. If Perry Scrivner isn't a jail warden, president, or street cleaner, we will miss our guess. Perry's future is as bright as Aurora Borealis.

FRESHEST RAT. Rat Crew needed only two qualifications to take this at a walk. He lives at Goodwater, and is as green as Erin itself.

GIRL WITH THE SMALLEST FOOT. Some say Margaret wears size 1½, others doubt it. The only hard thing is that she realizes that she has a small foot.

BIGGEST LIAR. Porter Florence started lying in bed when a mere infant, and has been unable to live down the habit. When looking for the truth, ask Florence and then take the opposite answer.

BEST ORATOR. May we present a silver-tongued orator from the Sunny Slopes of the South—Arlie B. Davidson.

MAN WITH THE BEST VOICE. The tinkling of bells and the rippling of merry water goes to make up his voice. The Southern songbird is Perry D. Scrivner.

BIGGEST EATER. Big Ellis is always hungry. Woe is him who has to eat by Ellis at McSwinney Hall.

BIGGEST SPENDTHRIFT. Whoathotit? Mange is the biggest spendthrift on the Hill. Red Yeilding is very extravagant—he even spent 45 cents the night after the Howard game.

BIGGEST SLEEPER. Rip Van Winkle Frank Ward is his full name. On February 29th Ward was up early enough to eat breakfast. He saws more wood than all the lumber mills in the State.

MOST CONCEITED MAN. The way Bob Rowe hates himself is wonderful. Bob claims it is self-confidence but we didn't have a column for him, so look what the little boy got.

UGLIEST MAN. Some people become extremely ugly in old age, others are extremely ugly all their lives. Francis White is young and happy.

BIGGEST LADIES' MAN. Introducing the modern Romeo—Mr. Bagley. He breaks a heart every morning before breakfast. Even the coldest hearts or the strongest will power cannot withstand this Beau Brummel.

MOST DESPERATE IN LOVE. Hall didn't wait until Springtime and the young man's fancy to start his work. Big Boy believes in the proverb, "The early bird gets the worm."

MOST INTELLECTUAL MAN. Bill Locke has the combined instinct of Solomon and Aristotle. Bill has told the faculty many astounding facts in his time.

WITTIEST MAN. Stewart has a surplus of wit and energy. To be the wittiest man on the hill is no mean thing, for there are many who would not be termed dense. Many are looking for a way to place Jack.

The Cheer Leaders

CON NEWSOM HOWARD STANSELL FRANCIS WHITE

There are no men more directly responsible for the success of a college in athletics than its cheer leaders. Birmingham-Southern is fortunate this year in having as its head cheer leader Howard Stansell, who, with his assistants, has put real pep and fight into the student body and teams during the year, and on more than one occasion has turned the tide of defeat into victory. Such loyalty and enthusiasm is the power which is yet going to make possible our dream of a greater Birmingham-Southern.

Law & Extension

Law & Extension

The Law School

This year marks the addition of an important department to the regular curriculum of Arts and Sciences—the School of Law.

Under the able leadership of Judge Hugh A. Locke, Dean of the School, and his able assistants, the Law School has had a most successful and promising year. The courses offered meet the requirements of a first-class law school as indicated by the American Bar Association and the American Law School Association. The School has an enrollment of forty-two students this year, and prospects indicate that this number will be much larger the coming year.

In initiating this new department the friends of Birmingham-Southern feel that the first step has been taken towards the building of a great University upon Sunshine Slopes, covering all the major fields of higher education.

Coach Slim Neese

For four years Slim Neese was one of the mainstays of the Panther aggregation. This year he has won the continued admiration of his many friends and followers by his excellent work with Simpson "Tech," having built up one of the strongest prep lines in the State. He should be of the greatest value to Simpson athletics next year.

Simpson's Football Record

Sweet as the balm of Gilead is the feeling of duty done, and so rejoiceth Coach Slim Neese and his pigskin warriors of the campaign of 1921. Truly, Simpson Tech's "Purple Tornado" failed to win the laurels of state champions; but they did blow fiercely over many opposing lines.

It was Coach Neese's prepsters that held the Walker County State champions to a 14-6 score in Walker's own backyard. The Jasper fans admitted that it was the hardest scrap that their team had tangled in during the entire season.

The Junior Panthers swept across their opponents sacred goal line for a total of 140 points, while the Purple and Gold line was crossed but eight times for a total of 54 points. This within itself showed the power of the purple clad warriors both offensively and defensively.

A short review of the games follows:

BLOUNT 14, SIMPSON 0.

The season was opened in Oneonta against the husky Blount County High School eleven. Simpson was unable to stop the end runs successfully, and thereby, hangs the tale of their 14 to 0 defeat. Sid Godbee starred for the Junior Panthers.

SIMPSON 26, LEEDS 0.

The second game of the campaign was fought out in Leeds against the Leeds High outfit. The heavy Leeds line was unable to stop the rushes of the speedy Simpson backfield. Tech blanked the opposition, 26 to 0. Sam Hammond, fullback, was the star of the game from a "hilltop" standpoint.

CENTERVLLE 0, SIMPSON 0.

Simpson Tech fought Centerville to a scoreless draw in one of the hardest fought struggles of the season. The game was played on the Cherokee County grid. Simpson held Centerville once on her own six-inch line for downs. Red Hickman played a brilliant game in the backfield for Tech, while Malloy and Fair starred on the defense.

SHELBY 13, SIMPSON 7.

Shelby County High took the clan of Coach Neese in tow on their gridiron at Columbiana, and dealt out a 13-7 drubbing to the purple clan. The game was decided in Shelby's favor in the last play of the struggle when Whorton intercepted a Simpson pass and ran for a touchdown. Stroube Jackson played a great game offensively for the "Purple Tornado."

SIMPSON 13, MARION 0.

The driving backs of Simpson followed a charging line to victory over the Marion County outfit at Guin. Marion was unable to cope with the Simpson line, and Simpson took the big end of a 13-0 score. Sam Hammond, Fats Barnes and Dago Hartsfield starred for the winners.

JEFFERSON 13, SIMPSON 0.

Coach Bryan's Jefferson County Wildcats defeated the Tech gang in a listless game on the Boyles grid. Simpson failed to come up to her natural fighting ability, and Jefferson was going in high.

SIMPSON 41, SHADES-CAHABA 0.

The Tornado swept over the Shades-Cahaba eleven in easy fashion, capturing the game, 41 to 0. The Shades-Cahaba game was played in Munger bowl.

SIMPSON 47, PELL CITY 0.

The "frail fighters" from Pell City were downed, 47 to 0. The unusually light line of Pell City was unable to hold the Tech backs, while Pell City's touted backfield was unable to gain through the Simpson line with any degree of consistency.

WALKER 14, SIMPSON 6

The headliner of the Simpson season was the wonderful showing made against the Walker County Champions in a hard-fought Turkey Day battle at Jasper. Walker managed to shove over a 14-6 victory after what they admitted was their hardest won victory of the season. Simpson's line outplayed Walker's first defense. Walker scored their victory by fast end runs. Fair and Malloy were line stars for the Junior Panthers.

Simpson's Basketball Squad

Two cups for the Simpson High Junior Panthers! Second best in Alabama! Third best in the South! North Alabama basket champs! That's the honors Coach George Reynolds' Purple Tornado had heaped upon 'em, and they deserved all of them.

In the Birmingham Athletic tourney they carried off a silver cup and eight silver basketballs.

When in Auburn, they copped third place in the Southern Prep meet. A cup and bronze medels were brought back the Tech Cagesters. That Simpson outfit showed class all the way, finally being knocked out of the running by the swift University High five of Atlanta. University High won second place.

Some of the fast elevens defeated by Simpson were: Walker County High School (two games); Springville, Greenville, Jefferson County, Alliance, Shelby, Bessemer and Wetumpka. Many other teams of lesser importance bowed before the Tech cagesters.

To the men who formed that fighting Tornado goes honor and credit galore, while George Reynolds, their toiling coach, receives credit for molding the squad into such a scoring machine as well as defensive outfit.

The cups above represent the record of Simpson's basketball team for the past season. Second place in the B. A. C. tournament held in Birmingham, and third place in Cotton States tournament held at Auburn.

This is certainly a great record, a record of which Simpson may well be proud, a forecast of the greater place she will hold in high school athletics of the South.

Dear Friend:

A young man in applying to us for a job recently said, "I understand you will not hire anybody but a Methodist." His understanding was incorrect, as evidenced by the fact that one of our officers is a Presbyterian and another a Congregationalist. But! Every officer and nearly every man in authority is a church member and a christian. None of them were promoted because they were church members alone. The qualities that won their PROMOTION are Loyalty, Honesty, Unselfishness, Industry and Efficiency. These are developed as a result of Christian Ideals and Connections, and by the avoidance of cigarettes, late hours, dissipation and habits that reduce the spiritual, mental and physical power which lowers efficiency and self-respect, as well as the respect of one's associates.

If you follow *Christian Principles* you *Will Win*.

Yours sincerly,
